

Hi and Welcome to Reading Nook! 🌸

This document will specify how the book club works and what you can expect from us.

## Meetings

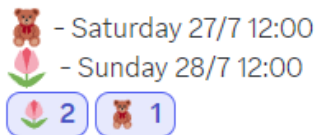

We have official book club meetings at the end of every month.

We vote for the date in the discord chat labeled 🌸 - info - 🌸

Alexandra Today at 7:34 PM

Hi guys! It's time to vote for the meeting date! Please vote for all days that work for you.

You vote by reacting to the emojis that represent the date.

! Note that you are not forced/expected to read all books. DNFin a book is more than ok! You are welcome to join the meeting even if you haven't read the book.

This is a classic event box, you'll find details about the meeting of the month, including time, place, and date. You can find more details about this under "event sign up"

# Books Suggestion

Every quarter, we select three books to read. Before we can vote on the books we'd like to read, we have a suggestion period.

Everyone suggests a few books, and then you vote for the ones you wish to read. Book suggestions are done in the channel labeled 📖-suggestions-📖

Here are some guidelines:

- Just one book per message, please! That way people can react with emojis to express their interest in specific books. The books with the most reaction go into the formal vote.
- Any book is welcome. No matter genre or length.
- While I love your enthusiasm, try to stick to a handful of suggestions. A good 4-5 suggestions is perfect!

! Remember to react with a heart on your own suggestion.

## Book Vote

When the suggestion period is over, we select the six books with the most votes to go to the official vote.

Those six books are paired off against each other in a series of three votes, where one book from each pair is chosen.

You can find the vote in the channel labeled ✨-voting-✨.

# Event Sign Ups

For events you plan to attend, it's crucial for us that you click "interested" on the button located at the bottom right corner of the event box in the channel labeled 🌸 - info - 🌸.

If you **want** to attend, the button should look like this:

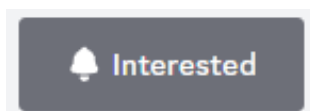

Attendance helps us determine if we need to reserve a table or find a more suitable place for the gathering.

We understand that circumstances can change, so if you need to cancel, please inform management by DM or send a message in 🌻-chat-🌻.

! Please also remember to uncheck the "Interested" button.

If you **do not want** to attend, the button should look like this:

# Movie Nights

Movie night is an extracurricular activity, as we like to call it. This occurs once a month. We typically watch the movie adaptation of the book of the month, if available. Otherwise, we hold a vote in the channel labeled 🌸 - info - 🌸.

The date for this event is usually chosen during the official monthly meeting. However, you can find the date, time, and location in the event post within the same channel.

For this event, we usually have a little knytkalas (potluck). Feel free to bring anything you'd like, whether sweet, savory, or something in between.

# Game Nights

Game nights are also an extracurricular activity happening once a month. Here, we play board or video games. No level of expertise is necessary, this is all just for fun!

We typically gather at [Brads Spelcafé](#), although occasionally they may be hosted at a member's residence.

The date for these events is usually determined during the official monthly meetings, and you can find it in the channel labeled 🌸 - info - 🌸.

! Here it's extra important to let us know whether or not you're planning to join us, as we have to book a table two weeks in advance. Let us know by using the "Interested" button.

# Gaming

If you're into gaming, you can join the super duper secret channel and hop into or start any game. These sessions aren't typically scheduled and happen whenever someone is ready to play something. Let us know by writing in the gaming chat.

To acquire this role, contact management.
